“Cashless” Catering

The school operates a “cashless” system which means no cash is accepted in the canteen. Pupils pay for their food by topping up a personal account either by:

- ⇒ Cheque - cheques are simply left in a box near reception. Accounts are credited with the cheque amount each morning.
- ⇒ Online - via our ParentPay website. Accounts can be credited using a debit or credit card.
- ⇒ Cash - coins and notes are accepted by our specialised machines at two locations in school.

Accounts can be topped up once a week/month/term rather than carrying money into school on a daily basis. Parents can get to see what their children are eating through regular reports (available on request).
