Chasing Rainbows is a fundraising team made up of Nicola's family, friends and colleagues in memory of PC Nicola Hughes whose life was taken in September 2012.

Our aim is to create a special memorial day in honour of Nicola and raise vital funds for nominated charities.

This year's fundraising event is for the North West Police Benevolent Fund and The Firefighters Charity.

This Annual Memorial event is to remember Nicola in our own unique way, one which she would enjoy and be proud of! A special day where Nicola's family, friends, colleagues and the community can come together to celebrate her life and create a lasting legacy to the sacrifice Nicola made serving the communities in which she lived and worked.

**Celebrate with us at
